

Instalment plan options

Kaplan Open Learning is thrilled to offer students **instalment plan options** via Flywire. Instalment plans enable students to:

- Easily pay your tuition and fees in smaller, more manageable monthly instalments
- Choose a debit or credit card for the instalment amount to be automatically debited each month
- Take advantage of competitive exchange rates with no hidden fees for international cards
- Access your Flywire account anytime to view your instalment schedule and update your payment method, if needed
- Utilise Flywire's around-the-clock multilingual support via email, chat and phone for payment-related enquiries

Trusted by millions of students around the globe, Flywire is the safest, most convenient way to make education payments to Kaplan.

Getting started is easy!

1. Access Kaplan's secure [Flywire payment portal](#).
2. Select the country of origin in the drop-down and enter your total balance due.
3. Click the "INSTALMENT PLAN" option to the right of "SINGLE PAYMENT" to configure your instalment plan.
4. Select your preferred number of instalments from the drop-down, then select a payment option.
5. Create a new Flywire account, or log in to your existing Flywire account to continue.
6. Enter relevant payer/student information, review and confirm details, and complete plan enrolment.
7. Confirmation and payment tracking information will be sent to the payer.
8. Log in to your Flywire account at any time to manage active instalment plans, including viewing the status of your plan or updating your payment details.

Note: email and text (if user has opted in) notifications will be sent to the payer seven days before an upcoming instalment and the day before the instalment with the payment amount, including foreign exchange (if applicable).
