Financial Times Top 10 Online MBA

Following the submission of data* and an alumni survey, our MBA is ranked in the top 10 Financial Times’ (FT) online MBAs for 2023. This includes ranking first overall for career progression – with the average online MBA graduate seeing an increase of 32% in their salary after completion – and third based on value for money, by taking into consideration alumni salaries, scholarships, fees, and other costs reported by graduates.

*This data is based on new student enrolments from January 2021 to October 2023.
